

Choose the world you want- Fairtrade Fortnight 2022 -Trade Justice, Climate Justice

21 February - 6 March

What's happening locally?

1. To mark Fairtrade Fortnight the main bridge in Inverness will again be lit up in **blue** and **green** – watch out for the press release which has been issued

to highlight the significance of this. The press release is also available to read on our website www.fairtradeinverness.org

2. **Eden Court** is doing a lot to help us promote the relationship between **Fairtrade** and **Climate Change**. If you are there in the next few days, we hope you enjoy a piece of Divine Chocolate with your coffee! And watch out for a Fairtrade short clip amidst the advertisements prior to your film!

3. Have a look at our social media, where, each day during Fairtrade Fortnight, a **Fairtrade commodity** will be featured. Some may surprise us!

4. We are going to encourage our local MSPs to sign the **Fairtrade Pledge**.

5. Highland One World has a Malawian teacher, who is also a farmer, participating in a Fairtrade Trade professional development session for teachers. See www.highlandoneworld.org.uk for more Fairtrade information.

The Fairtrade Foundation is hosting an online festival – for details <https://www.fairtrade.org.uk/choose-the-world-you-want/>

Remember COP 26?

The powerful testimony there from farmers of the Global South really focused minds on the part Fairtrade can play in their battle against Climate Change

What's happening nationally that we can join in with?

The Scottish Fairtrade Foundation has a lively programme of events too. Checkout their website!
